

e-STUDIO385P

Datasheet

- > Ideal for small workgroups the e-STUDIO385P monochrome A4 printer offers a reliable document output at a speed of 38 pages per minute and a paper capacity of up to 850 sheets.
- > Thanks to a resolution of up to 1,200 x 1,200 dpi, your documents are printed in high-quality and will impress with crystal-clear images and graphics.
- > The intuitive usage of the colour LCD display gives you easy access to all functions and informs you about your job status.
- > Advanced print functions cover all needs of your day-to-day business and help you to enhance your efficiency.
- > To help save resources, the e-STUDIO385P has energy saving modes and the duplex print function as standard.

You are looking for a reliable A4 monochrome printer, then search no more. The e-STUDIO385P offers fast and reliable high-quality document output and is ideal for small businesses and workgroups.

You choose how you want to connect to the printer: whether you want to use the system as an individual desktop printer, connect it to your network, or you prefer mobile printing – everything is possible.

Complying with the highest international environmental standards, the e-STUDIO385P comes with features which will help you save valuable resources.
