

HSM CLASSIC 390.3

3,9 x 40 mm

HSM®

Order number	1368841	Cutting speed	135 mm/s
EAN Code	4026631022552	Noise level (idle operation)	60 dB
Cutting type	particle cut	eclass 5.1	24320703
Security level (DIN 66399)	P-4 O-3 T-4 E-3 F-1	UN/SPSC	44101603
Security level (DIN 32757-1)	3	Power consumption of the motor	1400 W
Cutting width	3.9 mm mm	Voltage	230 V
Particle length	40,00 mm mm	Frequency	50 Hz
Cutting capacity (80g/m ²)	20 - 22 sheet sheets	Depth	510 mm mm
Cutting capacity (70g/m ²)	25 - 27 sheets	Width	595 mm mm
Intake width	400 mm	Height	915 mm mm
Container volume	148 l l	Weight	56 kg

Technical and design modifications reserved.

This document shredder on rollers ensures data security in open-plan offices or as an office-floor machine. Its induction-hardened solid steel cutting rollers are impervious to staples and paper clips and guarantee long service life. The powerful motor guarantees a high cutting capacity as well as reliable operation even under continuous load. The keypad with LED display enables you to easily operate the document shredder and view the operating state. An integrated light barrier starts the device automatically and switches it off again after the paper feed ends. The document shredder also switches off automatically when the waste container is full and the door is open. The automatic reverse rectifies paper jams and ensures smooth operation. High user safety is guaranteed by the folding safety element, which prevents unintentional intake. The removable reusable collecting bag helps make it easy to dispose of shredded materials. You can set the document shredder to standby mode and save power using the on/off switch. The high-quality materials and proven quality "Made in Germany" guarantee you security and long service life.
