Technical and design modifications reserved.

The top model on castors of the HSM shredstar series. Quiet and powerful, it provides for more data security in the workplace thanks to the particle cut and also has an anti-paper jam function. It can be used by up to five people.

- Automatic return eliminates paper jams.
- Separate CD cutting unit with own waste container for sorted disposal.
- Quiet operation minimises noise development in the workplace.
- LED indicator shows the device's operating status: Power, Overload, Overheat, Bin full, Door open.
- Automatic detection and shutdown if the waste container is full.
- Light barrier for automatic start/stop.
- Level indicator through inspection window in the waste container.
- Removable waste container for effortless emptying.
