e-STUDIO478s

Datasheet

> The e-STUDIO478s combines printing, scanning, copying and faxing all in one powerful monochrome A4 multifunction system.

> An impressive print speed of up to 47 pages per minute ensures that you can further increase the efficiency of your workflow.

> Intuitive and quick access to all functions via the 17.8 cm (7") colour touch panel.

> The low energy consumption and individual setting options save resources and combine economic and ecological aspects.

If you need to create professional looking monochrome documents, the e-STUDIO478s is the perfect multifunction system for you. It covers all needs of modern businesses and comes with many features which will make your daily work more efficient. The device can do more than just print, scan, copy and fax - it easily integrates into your cloud and mobile workflows.

With a paper capacity of up to 2,300 sheets, the e-STUDIO478s is up to any task. High-quality document output is guaranteed at all times at a maximum resolution of 1,200 x 1,200 dpi.

Sustainability is embedded in our corporate philosophy and we put concern for the environment as a priority in all our business activities. Therefore, we have made sure that the e-STUDIO478s complies with the highest environmental standards.
