8192 levels of pressure sensitivity ensures detailed rendering of every stroke.
 $\pm 60^\circ$ tilt recognition enables the simulation of physical brush effects.
Windows, macOS and Android are supported

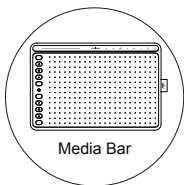

Inspiroy HS611

SLEEK DESIGN AND EXTRAORDINARY PERFORMANCE

A Professional and Powerful Pen Table

Innovative Colors

HS611 is available in three colors, Coral Red, Space Grey and Starry Blue, which delivers a sense of vitality. In addition, the 7.3mm slim body makes it easy to be carried around.

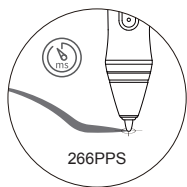

Media Bar to Create a Relaxed Work Environment

Equipped with an original media bar, HS611 is the first pen tablet in the industry that supports volume tuning and program switching, which helps to create a relaxed work environment.

Inspiration Released Steers the Pen In Your Hand

Battery free digital pen PW500 that boasts 8192 levels of pressure sensitivity ensures authentic rendering of every stroke when pressure applied changes.

To Capture Every Inspired Moment

Thanks to the 266PPS report rate, HS611 can capture every pen movement precisely while preventing broken and jittery lines.
